No commercial trucks, or other vehicles which are primarily used for commercial purposes, other than service vehicles temporarily present on business, nor any trailers, may be parked or kept on the condominium property. No vehicle with a wheel-base width over 82 inches, or a length over 21.5 feet may be kept on condominium property. Trailers, boat trailers, semitrailers, house trailers, campers, travel trailers, mobile homes, motor homes, recreational vehicles, and the like, and any vehicles not in operable condition or validly licensed, may not be kept on the condominium property. For the purpose of the foregoing sentences, the term "kept" shall mean present for either a period of six (6) consecutive hours or overnight, whichever is less. Parking space is a premium and guest parking spots are intended for bona fide guests only. The Board is empowered to adopt and enforce additional rules pertaining to parking.
