

## Championship Rules

- Members must play with the 9-Hole Golf League three (3) times in the official year, beginning with the week after the Awards Luncheon through the week before the Championship rounds, to be eligible for any awards. Prizes will be awarded at the March luncheon. This period includes low game of the year and any birdies made during the post championship games.
- Players who are eligible for the championship should sign up and pay for both weeks one week prior to play. These players must play the two weeks with their **assigned** flight, having Flight 1 sent out first, Flight 2 sent out second, and then Flight 3.
- There will be no adjustments or rearrangements to tee times unless for medical reasons and must have the approval of the entire 9-hole board and the Club Pro.
- If a woman playing in the Championship games has to cancel, she may get a “rain check” from the Pro Shop.
- In the event of a tie for either the Medallion or the Championship, there will be a nine-hole playoff. If a tie still exists, the player will go to the Pro Shop for instructions on a sudden death playoff. All award decisions made by the governing board are final.
- Birdie pins are awarded for birdies achieved in the same timeframe; no more than five pins per player.
