

## GAME FORMATS

<p><b>Championship &amp; Medallion Weeks</b>  <b>4 winners in each flight.</b>  <b>2 gross winners.</b>  <b>2 net winners.</b>  <b>One can't win both.</b></p>	<p>Two weeks of standard scoring. Champion is lowest gross total. Medallion is lowest net total. Second place awards for each flight with ties being honored.  The lowest gross game of the year will be awarded a prize as well.</p>
<p><b>Crier's Day</b></p>	<p>At the end of the 9-hole round each player selects one hole which she does not want to count. That hole's score is "thrown out" or subtracted from the total. Then the full handicap is subtracted as well for the game's total.</p>
<p><b>Even Holes</b></p>	<p>The entire round's scores are kept for entry in the computer. This game score is a total of ONLY the even holes – 2, 4, 6 and 8. Then one-half the handicap is subtracted from that subtotal.</p>
<p><b>Low Gross – Low Net</b></p>	<p>Winners are those with the lowest gross and/or net scores.</p>
<p><b>Low Putts</b></p>	<p>In this game, only the putts are counted for game purposes. The entire round's scores are still kept for entry in the computer.</p>
<p><b>Threes</b></p>	<p>Only score the par 3 holes for the game. (Keep total 9-hole score to enter in computer.)</p>
<p><b>Closest to Pin</b></p>	<p>When a tee shot is closest to the hole on the green. To be considered, it must rest on the putting surface. Measured from the edge of hole to center of golf ball where it rests.</p>
<p><b>Odd Holes</b></p>	<p>Although the entire round's scores are kept for entry in the computer, the game score consists of ONLY the scores on the 1<sup>st</sup>, 3<sup>rd</sup>, 5<sup>th</sup>, 7<sup>th</sup> and 9<sup>th</sup> holes added together. Then one-half the player's handicap is subtracted from that subtotal.</p>
<p><b>Lucky 7</b></p>	<p>Each player may subtract the scores for two holes in that round. Then one-half the player's handicap is subtracted from that subtotal. Remember to enter the complete nine-hole score in the computer.</p>
<p><b>3 Clubs and a Putter</b></p>	<p>Players carry only three clubs and a putter. The remaining clubs must be left behind. <b><u>Please determine your three clubs well before getting to the clubhouse.</u></b> Minus full handicap.</p>
<p><b>Hate 'Em</b></p>	<p><b><u>Before teeing off,</u></b> circle two holes that you absolutely hate. Subtract the scores on these two holes from your total when you finish playing.</p>
<p><b>Mystery Holes</b></p>	<p>The Golf Pro secretly selects the holes to be counted. Minus 1/2 handicap.</p>

**All strokes are counted in league game of day.**
